# Turks Dried Up

“The water of the Great River Euphrates, in like manner, represents the military power of the Ottoman empire; which is dissipated by a process of evaporation, a drying up; a gradual exhaustion, so as at last to leave the channel of the river in the heart of the Great City, empty; and devoid of all power to impede, or interfere with operations developing in the southeastern recesses of the empire....The military and political power of the Ottoman empire was to be dried up by the wrath of the Sixth Vial, that the way for a certain class of kings might be cleared of all hindrances and impediments to their enterprise in its beginning.”

# Primary Restoration

There is, then, a partial and primary restoration of Jews before the manifestation, which is to serve as the nucleus, or basis, of future operations in the restoration of the rest of the tribes after he has appeared in the kingdom.

JOHN THOMAS, ELPIS ISRAEL, PAGE 441, 1848

Foreign Office,

November 2nd, 1917.

Dear Lord Rothschild,

I have much pleasure in conveying to you, on behalf of His Majesty's Government, the following declaration of sympathy with Jewish Zionist aspirations which has been submitted to, and approved by, the Cabinet.

"His Majesty's Government view with favour the establishment in Palestine of a national home for the Jewish people, and will use their best endeavours to facilitate the achievement of this object, it being clearly understood that nothing shall be done which may prejudice the civil and religious rights of existing non-Jewish communities in Palestine, or the rights and political status enjoyed by Jews in any other country".

I should be grateful if you would bring this declaration to the knowledge of the Zionist Federation.
